## Wind Mitigation Inspection

## **Fairway Trace II**

4223 Caddie Dr E Bradenton FL, 34203

12/02/2021

## Note to Policyholder:

Questions regarding the results of this inspection should be directed to a member of our Quality Assurance team by dialing the number listed above, or by simply emailing us at info@wfhinspect.com

Questions regarding the impact of this inspection and your insurance coverage or premiums should be directed to either your trusted insurance agent or your insurance carrier.

Limitation of Liability: West Florida Home Inspections, LLC inspections are purely observational in nature and based upon the accessible areas of the structure as well as any available documentation provided to the inspector during the time of inspection. West Florida Home Inspections, LLC is solely verifying the presence or lack thereof of mitigation features associated with the form, and makes no warranty, express or implied, regarding the suitablity or condition of the structure under any circumstances.

Uniform Mitigation Verification Inspection Form
